HB 1 Regulations Completed and in Effect

For the past several months, the Board has been revising and amending several of the HB 1 regulations that were filed as Emergency Regulations on July 20, 2012.

The emergency regulations have now expired. The ordinary regulations have been approved by the Kentucky General Assembly and went into effect on March 4, 2013. You may review the regulations by going to the Board's website www.kbml.ky.gov, and look under **HB 1 Ordinary Regulations**. The Board has prepared a summary of the Professional Standards for Prescribing Controlled Substances regulation, 201 KAR 9:260, to assist physicians and it is currently available on our website. Physicians should review the entire regulations themselves, as the Board's summary is not comprehensive nor intended to take the place of reading the regulations.

The Kentucky Medical Association has also developed a more detailed summary of the controlled substance regulation, which is available on the Kentucky Medical Association website. To access the summary, simply visit <https://www.kyma.org/content.asp> and look for the headline "KMA Publishes Summary of Revised KBML/OIG Controlled Substance Regulations".

The Board would like to thank each physician who submitted comments and participated in this process. Your input was invaluable to the Board throughout this endeavor. The Board worked diligently on these regulations, and they include the collaborative efforts of many stakeholders throughout the medical community.

KASPER Tips: Reducing your Reports that Require "Manual Processing"

Amanda J. Ward, PharmD, CGP

Drug Enforcement and Professional Practices Branch

Kentucky Cabinet for Health and Family Services

It's Saturday. You have a new patient and need to check their KASPER prescription history. You request the report then see that dreaded phrase, "Manual Process." NO! Now you have to wait until Monday to get the report because KASPER offices are closed.

Unfortunately, this situation happens more than it needs to. The following tips can be incorporated into your practice to reduce the number of reports that require Manual Processing.

1. **Social Security Number**. Use the entire Social Security Number. This is **key** for the computer to match and return your results quickly. If you make up a 9 digit number (e.g., 123456789), be prepared to see that request go to Manual Processing. If you do not know the SSN (or if the patient does not have a SSN), use only 000000000.
2. **Name**. Enter the first name in the first name field and the last name in the last name field. It sounds simple enough, but double check. Every day this results in hundreds of reports that are manually processed. Also, if you know that someone changed names recently, you can use the **Alias** field to enter this information. This can assist KASPER staff in recognizing that, yes, Mrs. Smith now goes by Mrs. Jones and they are indeed the same person.
3. **Date of Birth**. You would be surprised at how many typos are entered in the DOB field. 1/16/1981 can quickly become 11/6/1981 and result in Manual Processing because the DOB entered doesn't match KASPER records. Check very carefully. If you don't, you may receive a blank KASPER report, or one with a message that says check DOB and resubmit.
4. **Address**. Entering the entire patient address is most effective. Please do not use abbreviations for the city name (for example, "ville" could stand for Louisville or Barbourville). If you don't have the patient's entire address, an accurate zip code will be most helpful data to enter. This helps us regionalize the data and more quickly respond to your request. (Do you know how many John Smith's there are in KY?)

Finally, unless you are absolutely sure you submitted incorrect data that caused the Manual Processing please do not request the report again. This only adds to the number of reports to process and may actually delay your receipt of the KASPER report in a timely manner.

Remember KASPER staff is available to help with any questions or problems you may encounter. For support please contact the KASPER Help Desk at eKASPERHelp@ky.gov or (502) 564-2703, or the Drug Enforcement and Professional Practices Branch at (502) 564-2815.

2013 Annual Renewal of Physician Licenses

Annual renewal of physician licenses for the current year has just been completed. The Board is pleased to announce that 95% of physicians utilized the on-line renewal service this year. As of April 3, 2013, a total of 15,197 physicians have renewed their medical/osteopathic license. This reflects an increase of 209 over last year's total for the same period. Of the total, 9,901 physicians reported a practice address in Kentucky.

Retirement of Board Investigator

The Board would like to announce the retirement of one its investigators, Doug Wilson. The Board offers its appreciation to Mr. Wilson for his many years of hard work and dedication to the citizens of the Commonwealth.

The Board is also pleased to announce the hiring of Mr. Kevin Payne to serve as Mr. Wilson's replacement. Mr. Payne comes to the Board from the Cabinet for Health & Family Services, Office of Inspector General, where he served as the Branch Manager for Drug Enforcement and Professional Practices, which operates the KASPER program. In addition, Mr. Payne retired from the Kentucky State Police where he served as Captain of the Drug Enforcement/Special Investigations East Branch.

Reminder Regarding Need to Notify Board of Change in Address

The Board would like to remind all physicians that according to KRS 311.586: Every physician who is practicing medicine or osteopathy in this state shall report to the Board the address or addresses at which he maintains an office, and every new licensee shall make the same report within 90 days after commencing the practice of medicine or osteopathy in this state. Every physician who, after notifying the Board of his official address or addresses, moves his office to a new address shall immediately notify the Board of the change.

The Board would like to stress the importance of this requirement for all physicians, including locum tenens physicians. Any licensed physician may update their address by simply going to the Board's website at www.kbml.ky.gov or complete the form on the back page of this Newsletter and forward to the Board.
